Mrs. Kane's Class-March

Themes and Concepts

Children continue working on developing their language skills. I introduce tally marks. We start learning about the solar system. We celebrate Dr. Seuss. They continue to explore in discovery, work puzzles, do lacing patterns, create in art, simple math operations, and develop fine motor skills. We are always working on our writing skills.

Ways to help at home

Read with your child
Sound out words
Sight Words
Count to 100 (1,2,5,10)
Tally Marks

Important Dates

March 30- No School
