

As they came near the village to which they were going, he walked ahead as if he were going on. But they urged him strongly, saying, "Stay with us, because it is almost evening and the day is now nearly over." So he went in to stay with them. When he was at the table with them, he took bread, blessed and broke it, and gave it to them. Then their eyes were opened, and they recognized him; and he vanished from their sight. They said to each other, "Were not our hearts burning within us while he was talking to us on the road, while he was opening the scriptures to us?" (Luke 24:28-32)

PRAYER OF CONFESSION

Almighty God, our world is filled with corruption: power disguises itself as truth; convenience masquerades as goodness; selfish pleasure imitates love.

We confess to you, O God, that we have been caught in the web of the world's sin.

By the power of the Holy Spirit, save us from these deceptions and free us for glad obedience, that we may see the joy of Jesus' resurrection and receive the promise of everlasting life.

All proceeds from the sale, will go directly to the church's general fund. **Please note:** we will not be accepting, clothing, mattresses, large appliances and car seats, with the exception of winter coats and gently used shoes.

GENERAL FUND

Giving to the General Fund in the first quarter of 2017 was significantly behind the expenses the church incurs with salaries, utility bills, program expenses, missions, facility management and all other costs.

Perhaps the generous support of the Kitchen fund put a dent in our General Fund income?

Whatever the cause, the reality is that we've dipped deep into reserves to pay the bills, and even so we're significantly behind in paying the bills coming due.

If you can make a contribution which either brings your expected giving up to a good level, or which extends your giving beyond what you might otherwise have planned, this would be a great time to pitch in and help!

ONE FUND begins this week: a congregational conversation spreading over five weeks, with commitment Sunday on May 21st. One Fund is a celebration of what we're already doing and a glimpse of the vision we share going forward!

MEMORY BOOK FOR CHRIS

Help us create a scrapbook of letters and photos for Chris as a retirement gift! Send photos and kind words (one-sided) to Kristy Lohre by May 15th! Leave in "Memory Box" in Fellowship Hall, mail or email to: Kristy Lohre, 103 Carran Dr., Lakeside Park, 41017 or

klohre@ontimemedia.com.

ONE CONGREGATION. ONE VISION.

What is the Lakeside One Fund?

In response to the needs of today's church, One Fund was developed as a new way of thinking about resourcing church ministry needs. The One Fund approach is an accelerated giving opportunity designed to fund operating (budget) and new vision ministry spending needs in one "ask." **The operating and vision needs are aggregated into one number, which is presented to the congregation as the funding goal over a two-year period.** One Fund is an all-in vision resourcing strategy. Think about it this way: our church is one church, with one vision, funded by One Fund! (And you only have to write one check).

For 2017 and 2018, in order to more effectively accomplish our goals, we will be focusing all of our generosity into the Lakeside One Fund. Having completely paid for Jubilation and Kitchen projects, we enter a new period which will include all giving in a single fund that will resource all of our ministries and expand our mission efforts.

The One Fund approach is more than just a consolidation of operating and vision ministry needs into one big "ask." It is a means of presenting all the funding needs of a church into one giving opportunity centered on the ministry vision of that church.

There are several major benefits of this approach:

- ***It simplifies the presentation.*** We will not need to present operating needs as in any way separate from the larger vision or additional opportunities that arise. While our session and finance committee still have to decide how to allocate funds as they come in, the congregation only has to focus on one number – the consolidated funding goal.
- ***It unifies the church body around one vision and one number.*** For some church people, giving to capital needs is not appealing. To others, giving to operating needs is not appealing. One Fund is vision driven, not project driven. It unifies the entire church body around the vision of providing all the funding the ministry will need over a two-year period.
- Perhaps the most important advantage of the One Fund, it allows us to onboard new givers who might not understand the concept of giving an "over and above" gift. Now we encourage all to participate in the One Fund resourcing vehicle for your vision.

The Lakeside One Fund is a strategy designed to involve more of our church and, in addition to raising project dollars, increase our long-term sustained giving. It begins today with a season of celebrating our wins: acknowledging in worship the ministry and mission supported already by our church's generosity.

Working together we accomplish so much more!

One Fund: Frequently Asked Questions

How is One Fund different from capital campaigns or the one-year pledges we've done in the past?

The One Fund is a holistic funding approach which makes one ask for the multiple ministry areas being funded. It all begins with our church's vision. Affinity groups for Worship, Learn, Serve, and Leadership met in recent weeks to get the conversation started.

Think about it this way: One Congregation; One Vision; One Fund.

Will I be able to designate my generosity toward specific projects that really excite me? Though One Fund is holistic, early in the process many churches still collect special offerings which are outside of One Fund resourcing. Often, in the second season of the One Fund, even these become included in the One Fund approach.

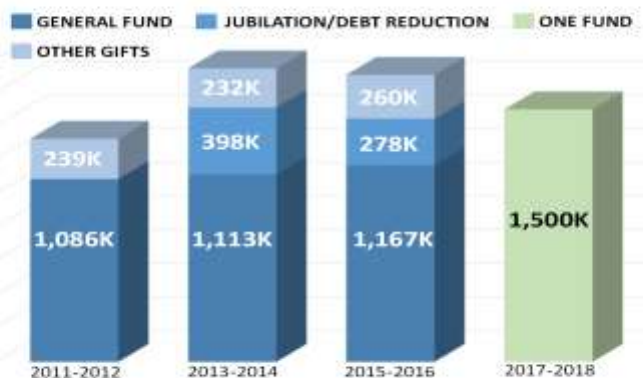

What will happen if we miss our target over the next two years? Is there a chance the project I'm most excited about won't be completed? Obviously, we can only fund what we have resources for. We have made estimates based on what we believe our church is capable of funding. Our prayer is that all areas will be funded.

How will One Fund be effected by Chris's retirement? We stepped into One Fund aware that Chris would soon complete his ministry here and eager to begin the conversation about where God is calling us going forward!

What specifically are you asking me to do? Consider what you normally give to the church in a single year. Double that, because it's a two-year effort, and add to that number dollars to make special vision ministries possible.

Are there additional ways besides cash that I can give toward One Fund? Accumulated assets are a great way to give to the One Fund. Stocks can be directed donated to the church. You receive the contribution credit and the added benefit of not have to pay capital gains tax on the gains.

What Are Our Goals?

With One Fund we hope to build on the generosity of past years, increasing our sustained giving while backing away from specific campaign asks:

**OUR ONE FUND GOAL
IS TO RAISE
\$1.5 MILLION
OVER TWO YEARS.**

We will continue to describe One Fund and our opportunity to contribute over the next five Sundays, leading to commitment Sunday on May 21st.
